Web Development - Volunteer

We are pleased to offer a virtual volunteer opportunity for you to join our team as a volunteer web developer.

About York Region Educational Services:

York Region Educational Services (YRES) is a not-for-profit charitable organization. YRES provides individuals in the vicinity of York Region with free educational resources in a safe and supportive environment that inspires, motivates, and helps set the foundation for personal growth.

About this opportunity:

As a volunteer web developer, you will have the chance to build up your hard skills, such as your skills in using Wix, WordPress, HTML, CSS, JavaScript, Monday.com, and Google Forms. You will also be able to build up your leadership skills, communication skills, time management skills, and collaboration skills in our YRES volunteer communities.

Projects may involve:

- Providing feedback for web design
- Creating forms on Monday.com
- Collaborative work
- Website improvements and information updates

Requirements:

- 12 years old or above
- Strong communication and interpersonal skills
- Good time management skills
- Ability to adapt and prioritize
- Proficiency in programming languages or using Wix, WordPress, and Monday.com systems is an asset

The position will also involve working in various sectors of the company (business development, teaching, curriculum development, etc.) to support business growth.
