About Our Camps and Staff

From exploding popsicle stick ninja stars to Mother's Day art projects, this year's Weekend Camp has been one crazy adventure. Camp may be over, but the memories and friendships we made will stay with us forever. Thank you to everyone who made this year special!

Carson Fong
Camp Director

As a camp counsellor at YRES Weekend Elite Camp, it has been a privilege guiding and mentoring a fantastic group of campers. The energy and excitement that our campers have brought with them every weekend is what makes the camp so enriching to be apart of. My favourite moments at weekend camp were having the honour to watch the campers foster teamwork, leadership, and self-confidence skills among their peers. The great thing about this camp is how campers can build strong connections in such short time.

Mayeli Cornejo
Camp Counsellor

Camp is always the place to have fun and learn at the same time. Outside of the school week, we want our campers to have a fun, meaningful and balanced lifestyle. I believe incorporating camp life, whether it is on the weekend or over the summer is a great way for children to learn academically, make new friends, and develop interpersonal skills in the process. Moreover, for counsellors, it really means a lot to see the growth in campers and share a memorable time with them.

Messages To Our Campers

Avneet Hanjrah

I had a great time being your camp counsellor on the weekends! It was so much fun to learn about each of your interests. Have a great summer and hopefully, we see you guys back next year!

I hope you had as much fun as I did at Weekend Camp! My favorite part was drawing and talking about snakes and frogs during our “Animals, Habitats, and their Ecosystems” class. Hope you’ll come back again next year!

To the GPS kiddos:
Every weekend, I come in with the anticipation that at least one of you little troublemakers will pull something unforgettable – be it something mischievous or a pleasantly sweet memory. You all are such bright kids. I will miss our lessons together!

Hi Weekend Camp campers! I had an amazing time learning and playing with all of you these past few weeks. I’ll miss you all so much, but I’m already looking forward to seeing you next year!

Meet Our Mascot

Nice to meet you! My name is Nova, and I'm the mascot for YRES! I'm a bighorn sheep who loves to learn, everything from languages to STEAM, and I'm always ready for an adventure! It was so fun meeting you this year. Let's meet again next year at camp!

YRES

A wooden signpost stands on a grassy hill. The top sign is a red arrow pointing right with the word 'YRES' in white. The bottom sign is a purple rectangle with the text 'Looking for an adventure?' in white.

Meet Our Partner's Mascots

At YRES camps, we utilize our partner U+ Education's curriculum to provide high-quality learning activities. U+'s mascots are Mojo (left) and Mojito (right), who represents languages and STEAM subjects respectively.

Thank You

During YRES Weekend Elite Camp and other camps we run this year, our volunteer's passion shone brightly through their unwavering dedication and enthusiasm. They brought an infectious energy to every activity, engaging with participants and fostering an inclusive, supportive environment. Whether guiding campers through challenging outdoor adventures or leading interactive games, they consistently went above and beyond to ensure everyone felt valued and inspired.

Dorothy Mok, YRES Director and Assistant Manager of Community Engagement

YRES Camp is fun and rewarding. Our campers have met many tremendous people and have made amazing life-long friends along the way. My cheers to you all, and wish each and every one of you continued success and happiness.

Carey Takeda, YRES Director
