

March 31, 2025

Dear Sir/ Madam,

I am delighted to share that **York Region Educational Services (YRES)** has been recognized with **Canada's Volunteer Awards** and is the only non-profit organization from Ontario to receive this prestigious honor. This is a testament to the incredible work they have been doing in promoting volunteerism and youth engagement in our region.

As a proud supporter of YRES, I wholeheartedly endorse their **Youth Volunteer Success Program**. This national initiative plays a critical role in providing young people with valuable volunteer opportunities, helping to foster leadership, community engagement, and personal growth. Through this program, YRES is empowering the next generation of community leaders and making a meaningful impact across Canada.

I encourage all community members and leaders to continue supporting this program. Thank you for your continued support of YRES and their impactful work.

Warm regards,

Joe Li

***Regional Councillor
City of Markham & York Region***
