Dear YRES,

On behalf of Members of City Council and the residents of Oshawa, I would like to congratulate York Region Educational Services (YRES) on receiving Canada's Volunteer Award for Ontario's "Social Innovator".

The important work you do provides over 500 educational programs free of charge for youth and learners of all ages in your region. By providing free classes, workshops, conferences and educational camps, you empower individuals to find their passion, learn new skills and build on existing knowledge and skillsets.

I encourage anyone considering volunteering to get involved in a program like this. You are not only giving back but helping to build a brighter future.

Thank you, to existing volunteers. May your dedication and meaningful work continue to make an important impact in the community.

Congratulations on your well-deserved recognition.

Yours truly,

Dan Carter
Mayor
